# The right filter in an instant!

Filters used in vans must be able to handle anything: Long distances on highways or erratic city traffic – hardly any other situation demands so much flexibility from your filtration systems. MANN-FILTER products in 100% original equipment quality ensure optimum protection for your engine, long and efficient operating times and consistently high filtration performance.

On the following pages you can find our range of filter equipment for the most common manufacturers and models on the market.

---

## Benefits that pay for you:

---

- ⊕ **100% OE quality**
- ⊕ **long service life even under constantly changing conditions**
- ⊕ **wide range of products for a large number of vehicle makes and models**

---

## Explanation of pictograms:

---

**Air filter**

**Oil filter**

**Cabin air filter**

**Fuel filter**

**Other filters**

# Blitzschnell zum passenden Filter!

In Transportern eingesetzte Filter müssen alles meistern: Langstrecken auf Autobahnen oder unregelmäßiger Stadtverkehr – kaum ein Einsatz fordert so viel starke Flexibilität für Ihre Filtrationssysteme. MANN-FILTER Produkte in 100 % Erstausrüstungsqualität stehen für den optimalen Schutz des Motors, lange und effiziente Laufzeiten und gleichbleibend höchste Filtrationsleistung.

Auf den folgenden Seiten finden Sie unser Angebot für Filterausrüstungen zu den wichtigsten Herstellern und Modellen auf dem Markt.

---

## Vorteile, die sich für Sie rechnen:

---

- ⊕ **100 % Erstausrüstungsqualität**
- ⊕ **lange Lebensdauer, auch unter stetig wechselnden Bedingungen**
- ⊕ **breites Angebot für eine Vielzahl an Fahrzeugmarken und Modellen**

---

# Le bon filtre en un clin d'œil !

Les filtres utilisés dans les véhicules utilitaires doivent pouvoir s'adapter à toutes les situations. La conduite sur de longues distances sur l'autoroute ou la trafic urbain irrégulier exigent particulièrement beaucoup de flexibilité de la part des systèmes de filtration. Les produits MANN-FILTER, en qualité de première monte irréprochable, garantissent une protection optimale des moteurs, des durées de fonctionnement longues et efficaces et des performances de filtration élevées et constantes.

Dans les pages suivantes, vous trouverez notre gamme d'équipements de filtration pour les fabricants et les modèles les plus importants du marché.

---

## Les avantages dont vous bénéficiez :

---

- ⊕ **qualité de première monte**
- ⊕ **longue durée de vie, même dans les conditions changeant constamment**
- ⊕ **une large gamme pour de nombreuses marques de véhicules et différents modèles**

---

## Explication des pictogrammes :

# ¡En un instante el filtro adecuado!

Los filtros utilizados en los vehículos de transporte deben ser todoterreno: ya sean en trayectos largos por autopistas o bien con tráfico irregular por la ciudad, no hay casi ninguna otra aplicación que requiera una flexibilidad tan intensa en sus sistemas de filtración. Los productos MANN-FILTER, con calidad de equipo original 100 %, ofrecen la protección óptima del motor, una larga y eficiente vida útil, así como el rendimiento de filtración más elevado de manera continuada.

En las siguientes páginas puede consultar nuestra oferta en sistemas de filtros de los fabricantes y modelos más importantes del mercado.

---

## Ventajas que le merecen la pena:

---

- ⊕ **Calidad de equipo 100 % original**
- ⊕ **Una larga vida útil incluso bajo condiciones siempre cambiantes**
- ⊕ **Una amplia oferta para una variedad de marcas de vehículos y modelos**

---

## Explicación de pictogramas:

Filtro de habitáculo

# Il filtro giusto in un lampo!

I filtri utilizzati nei furgoni devono resistere a tutto: dalle lunghe percorrenze in autostrada al traffico irregolare in città; quasi nessun altro componente richiede una tale flessibilità per i sistemi di filtraggio. I prodotti MANN-FILTER, dotati di una qualità di primo equipaggiamento pari al 100%, sono sinonimo di protezione ottimale del motore, durata prolungata ed efficiente e massime prestazioni di filtraggio sempre costanti.

Nelle pagine seguenti viene presentata la nostra offerta di dispositivi di filtraggio per i principali produttori e modelli sul mercato.

---

## Vantaggi convenienti:

---

- ⊕ **Qualità di primo equipaggiamento pari al 100%**
- ⊕ **Lunga durata, anche in condizioni sempre diverse**
- ⊕ **Ampia offerta per una molteplicità di marche e modelli di veicoli**

---

# Odpowiedni filtr w mgnieniu oka!

Filtry stosowane w samochodach ciężarowych muszą poradzić sobie we wszystkich warunkach: długie odcinki na autostradach albo zmienny ruch miejski – niewiele zastosowań wymaga tak dużej elastyczności systemów filtracyjnych. Produkty MANN-FILTER w jakości odpowiadającej w 100% oryginalnemu wyposażeniu to optymalna ochrona silnika, długi okres efektywnej eksploatacji oraz niezmiennie najwyższa wydajność filtracji.

Na poniższych stronach znajdują Państwo naszą ofertę urządzeń filtrujących dla wiodących producentów i modeli na rynku.

---

## Wymierne korzyści:

---

- ⊕ **jakość w 100% odpowiadająca oryginalnemu wyposażeniu**
- ⊕ **długa żywotność, również w stale zmieniających się warunkach**
- ⊕ **szeroka oferta dla wielu marek pojazdów i modeli**

# Villámsebesen a megfelelő szűrőhöz!

A kistehergépjárművekben használt szűrőknek mindennel meg kell birkóznuk: Hosszú autópályaszakaszok vagy szabálytalan városi közlekedés – kevés másik használat követel meg nagyobb rugalmasságot a szűrőrendszerektől. A 100% OEM-minőségű MANN-FILTER termékek a motornak optimális védelmet, hosszú és hatékony élettartamot, valamint állandóan magas szűrési teljesítményt kínálnak.

A következő oldalakon találja a piacon elérhető legfontosabb gyártók és típusok szűrőszerevényeiről szóló ajánlatunkat.

---

## Előnyök, amelyek megérik Önnek:

---

- ⊕ 100% OEM-minőség
- ⊕ hosszú élettartam, még a folyamatosan változó körülmények között is
- ⊕ átfogó ajánlat sokféle autómárkához és típushoz

---

# Ajungeți în doi timpi și trei mișcări la filtrul potrivit!

Filtrele folosite în vehiculele utilitare trebuie să depășească toate provocările: distanțe lungi pe autostrăzi sau trafic urban neregulat – cu greu se poate găsi ceva care să impună mai multă versatilitate sistemelor de filtrare. Produsele MANN-FILTER cu 100 % nivel de calitate a echipamentelor originale asigură protecția optimă a motoarelor dumneavoastră, funcționarea eficientă și îndelungată și cea mai ridicată și constantă performanță de filtrare.

Pe următoarele pagini puteți găsi oferta noastră de echipamente de filtrare pentru cele mai importante mărci și modele de pe piață.

## Avantaje pentru dvs.:

- ⊕ 100 % nivelul de calitate al echipamentelor originale
- ⊕ durabilitate mare, chiar și în condiții în continuă schimbare
- ⊕ gamă largă pentru o multitudine de mărci și modele de vehicule

## Legenda pictogramelor:

Filtru de aer

Filtru pentru combustibil

Filtru de ulei

Filtru de cabină

# Мгновенный выбор нужного фильтра!

Фильтры, используемые в небольших грузовых автомобилях, должны выдерживать все: длительные поездки по автомагистралям или нерегулярное движение по городу — вряд ли любое другое использование требует для систем фильтрации такой высокой гибкости. Продукция MANN-FILTER в 100% оригинальном исполнении обеспечивает оптимальную защиту двигателей, длительное и эффективное время работы и неизменно высокую эффективность фильтрации. На следующих страницах вы найдете ассортимент наших фильтров для основных производителей и моделей, представленных на рынке.

---

## Преимущества, которые окупятся:

---

- ⊕ 100% качество в комплектации завода-изготовителя
- ⊕ Долгий срок службы даже в постоянно меняющихся условиях
- ⊕ Большой ассортимент для широкого диапазона марок и моделей автомобилей

---
