MANN-FILTER – Perfect parts. Perfect service.
www.mann-filter.com

Nothing but the best from MANN-FILTER for BOGE compressors

High quality and well matched filters are essential for functional reliability, durability and energy efficiency of compressors. With MANN-FILTER, there is no need for compromises and you opt for OE quality. Our products are permanently on the test bench and are subjected to the most stringent testing in compliance with the internationally applicable industrial standards as well as the requirements of our OE customers.
